Securely positioned at the rear, this single level 3 bedroom, 2 bathroom, 2 car villa excites the senses immediately upon entry. The contemporary free-flowing design enables the formal and informal living zone to overlook and open onto a delightful, private north facing courtyard garden providing wonderful spaces inside and out. Comprising 3 bedrooms two with built in robes, main with ensuite & walk in robe; open plan family, dining, kitchen plus formal living room with a classic Coonara combustion heater for cosy, convivial winter nights; central bathroom with separate shower and bath; laundry with access to a wraparound courtyard. European appliances and a thoughtfully planned design are a feature of the light 'n bright kitchen. Features include climate controlled heating and cooling, a lovely covered alfresco eating area, low maintenance gardens and a lockup tandem garage with internal access. Close to everything you need including shops and restaurants of Black Rock Village, schools and transport you can walk to the beach and cafes at Half Moon Bay.
